

PUBLICATION OF ENDURING QUALITY AWARD

The AERE Board of Directors will present the annual award (to co-authors if appropriate) for a publication of enduring quality that appeared at least five years prior to the year of the award. The 2009 award will be announced at the annual AERE luncheon meeting in January 2010 in Atlanta, Georgia. Nominated works are to be evaluated on their seminal nature and enduring value. Place and type of publication are unrestricted but posthumous awards will not be given. Nominees may include individuals who are not members of AERE.

Evaluation of nominated works and final selection for the 2009 award will be undertaken by a committee chaired by Douglass Shaw.

Nomination packages should consist of four copies each of a cover letter, a document supporting the nomination, and the publication itself. The supporting document (not to exceed three pages) should include quantitative as well as qualitative information (e.g., number of citations or copies printed). Nominations should be sent to arrive no later than **September 1, 2009**. This is an important award for AERE and for the recipients. Please give serious consideration to nominating a publication and to observing the submission requirements.
