The 2010 summer meeting of the Agricultural & Applied Economics Association (AAEA), joint with the CAES and WAEA, will be held in Denver, Colorado from July 25 - 27, 2010. Martin D. Smith, Duke University, will serve as Chair of the AERE Program Committee. All submissions are to be sent electronically via e-mail. Only .pdf files will be accepted as electronic format. No submissions will be accepted via fax or postal mail.

Authors wishing to have a paper considered for the AERE sessions should send a .pdf file by e-mail to: marsmith@duke.edu (with "AERE AAEA" in the subject line of the e-mail). Abstracts cannot be jointly considered for inclusion in AERE sessions and in sessions sponsored by other associations at the AAEA meeting.

Files should be sent by the proposed presenter, who will be the contact for correspondence. No more than one submission will be accepted per presenter.

The file must provide the following information according to the following format:

- (I) name and institutional affiliation of paper presenter and co-author(s);
- (II) title of paper;
- (III) mailing address and e-mail address of paper presenter;
- (IV) up to six key words;

- (VI) long abstract of the paper containing no more than 1,000 words, along with a word count;
- (VII) references.

The total file length should be 2 to 3 pages, with a maximum of 3 pages, including all of the required information. Papers submitted without all of the required information will not be considered. Electronic acknowledgements of submissions will be sent to all submitters. The deadline to submit is **January 15, 2010**.

Proposals for complete sessions are also encouraged. Organizers of proposed sessions should submit complete information for EACH of the papers following the above instructions. Papers may be accepted or rejected on an individual basis unless the organizer specifically requests the session be considered only in its entirety. Papers that are not accepted for presentation in a session will be considered for presentation as a poster. Authors who receive an offer for a poster presentation can then decide if they would like to take advantage of this opportunity. Please note that all selected presenters must be current AERE members and priority consideration for discussants will be given to AERE members.
