

The Fourth World Congress of Environmental and Resource Economists
Université du Québec à Montréal (UQAM), Montreal, Canada
June 28 – July 2, 2010

CALL FOR PAPERS
Deadline: January 31, 2010

The Fourth World Congress of Environmental and Resource Economists (WCERE) will be held in Montreal, June 28 to July 2, 2010, on the campus of the Université du Québec à Montréal. The congress is a joint initiative of the Association of Environmental and Resource Economists (AERE) and the European Association of Environmental and Resource Economists (EAERE).

You are invited to submit theoretical and applied papers in all areas of environmental and natural resource economics for presentation at the world congress.

Papers are to be submitted through the conference website, www.wcere2010.org.
Submission is possible from October 1st, 2009, until January 31, 2010.

Notification of the outcome of the peer review process is scheduled for March 31, 2010. The number of submissions per person is unlimited, but the maximum number of presentation per person will be limited to one. Authors must register for the Congress in order for the paper to be included in the program. All further details of the submission procedure are on the website.

We also welcome your contributions to *organize special sessions*. Please send your proposals, which should include a brief overview of the session, to info@wcere2010.org. As we intend to organize papers submission through the same electronic system for all sessions, we would like to receive your proposals by October 1st. Refereeing of papers submitted for special sessions will be a joint effort between the session organizer(s) and the scientific committee.
