**Eleventh INSEE Biennial Conference, New Delhi**  
**15-17 December, 2021**

- **Given uncertainties due to Covid-19 the conference will be conducted in hybrid mode (online + offline).**
- **Select papers may be presented online.**

The eleventh biennial conference of The Indian Society for Ecological Economics (INSEE) will be co-organized with Indraprastha Institute of Information Technology Delhi (IITD). The conference will be held at IITD campus in New Delhi (India) during **December 15-17, 2021**. We encourage participation from academia and research institutions, and particularly from PhD students entering the job market. Please join us!

This year's conference will be based on the theme of *Sustainable Societies, Ecological Systems and Economic Development* with a focus on air, water, solid waste, energy, transport and health. It will cover issues related to (but not restricted to):

- global environmental change
- carbon neutrality
- environmental regulation and governance
- air quality management
- water resource management
- sustainable transportation
- green energy
- sustainable land use
- natural capital for sustainable cities
- ecological footprint
- environment and health (including zoonotic diseases such as Covid-19).
- environmental justice

We invite submissions that make a rigorous conceptual and methodological contribution of a theoretical or empirical nature. Submissions are encouraged from scholars working in or on the South Asia region.

**Submission guidelines**

We will follow a two-step screening process. Each submission requires an **extended abstract** clearly describing the paper and its significance in **at least 1,000 words** (excluding references) by ~~March 15, 2021~~ **April 15, 2021**. Successful abstract submissions in the first stage will be invited to submit a full-length paper for final review. Contributors are welcome to submit full-paper in lieu of abstract in the first stage.

Please submit abstracts/papers to [inseesec@gmail.com](mailto:inseesec@gmail.com) with the title 'INSEE-IITD international conference 2021'. **Authors are requested to submit their preferred mode of presentation as part of their abstract submissions.**
