

# Association of Environmental and Resource Economists

## **AERE @ the Eastern Economic Association Annual Conference**

*New in 2017!*

AERE is sponsoring sessions at the  
**Eastern Economic Association (EEA) Annual Conference**  
February 23-26, 2017  
Sheraton New York Hotel and Towers  
New York, NY

Only AERE members are eligible to present in the AERE@EEA sessions (membership must be current at the time of the conference). EEA is offering the 2016 conference registration rate to AERE members (\$95 if you are also a EEA member, \$155 if you are only an AERE member).

**Program Committee Chair: Kelly Maguire**  
U.S. Environmental Protection Agency  
Maguire.Kelly@epa.gov

These sessions are intended to provide an accessible conference option for AERE's members, and to ensure that interesting research in our field continues to appear on the program of a major general-interest conference in economics. All paper presenters must be 2017 AERE members, but need not join EEA to attend. EEA will honor the 2016 non-member rate for all AERE-sponsored session participants (i.e., \$155). Conference registration fees increase on January 1, but EEA is willing to honor the current rate of \$155 for the AERE sessions. The EEA member registration fee is \$95.

**DEADLINE:** Because we are close to the actual conference event submission for **Full Sessions ONLY** (3-4 papers) must be received by January 3, 2017. Submissions should be sent by the proposed session chair who will be the main contact for correspondence.

**INFORMATION NEEDED:** Session title; 3-4 paper titles and one-page abstract for each; session organizer name and contact information; session chair, discussant names, paper presenter names and contact information, and other author names.

**Email submissions to Maguire.Kelly@epa.gov, with "EEA session proposal" in the subject line by January 3, 2017.**
